

PART 3, PHASE 3 - ANALYSIS, REPORT COMPLETION AND FOLLOW UP

Introduction

In this phase the report is produced and published, the local authority plans and delivers improvements in response to recommendations and there is an agreed monitoring programme to ensure positive outcomes.

Key activities:

- draft report;
- final report;
- report presentation;
- action plan; and
- handover and follow up activity (as appropriate).

The overall aim will be to produce a balanced picture of performance, highlighting good practice as well as any areas of concern.
